

To enhance clearing participants' access to the existing CCPs' disclosures, this document provides a series of links to CCP rulebooks and disclosures in accordance with the CCP Global format. The information contained in this document has been compiled by the CCP for general information purposes only in order to enhance the accessibility of information from a CCP's documents. While some relevant CCP rules may be discussed, hyperlinked to or referred to in the QATL template, all matters and information provided is subject to, and superseded by, the specific CCP's rules and disclosures. It is advised that the current versions of the CCP's rules and disclosures should always be consulted and are those that should be relied upon by the CCP's participants.
